PREPARING STUDENTS FOR SUCCESS

FUTURE READY LIBRARIANS

FUTURE READY LIBRARIANS

Designs Collaborative Spaces

Use of Space and Time

Provides flexible spaces that promote inquiry, creativity, collaboration and community.

Builds Instructional Partnerships

Curriculum, Instruction and Assessment

Partners with educators to design and implement evidence-based curricula and assessments that integrate elements of deeper learning, critical thinking, information literacy, digital citizenship, creativity, innovation and the active use of technology.

Empowers Students as Creators

Curriculum, Instruction and Assessment

Encourages and facilitates students to become increasingly self-directed as they create digital products of their learning that engage them in critical thinking, collaboration and authentic, real-world problem solving.

Curates Digital Resources and Tools

Curriculum, Instruction and Assessment

Leads in the selection, integration, organization, and sharing of digital resources and tools to support transformational teaching and learning and develop the digital curation skills of others.

Facilitates Professional Learning

Personalized Professional Learning

Leads professional learning to cultivate broader understanding of the skills that comprise success in a digital age (e.g., critical thinking, information literacy, digital citizenship, technology competencies, etc.)

Ensures Equitable Digital Access

Technology and Infrastructure

Provides and advocates for equitable access to connectivity, digital devices, information, resources, programming, and services in support of the district's strategic vision.

Invests Strategically in Digital Resources

Budget and Resources

Leverages an understanding of school and community needs to identify and invest in digital resources to support student learning.

Cultivates Community Partnerships

Community Partnerships

Cultivates partnerships within the school and local community (families and caregivers, non-profit organizations, government agencies, public and higher education libraries, businesses, etc.) to promote engagement and a lifelong learning process.

Advocates for Student Privacy

Data and Privacy

Teaches and promotes student data privacy through their instruction and role as educational leaders.

Leads Beyond the Library

Collaborative Leadership

Participates in setting the district's vision and strategic plan for digital learning and fosters a culture of collaboration and innovation to empower teachers and learners.

Future Ready Librarians

FUTURE READY LIBRARIANS FACT SHEET

FUTURE READY LIBRARIANS PRESS RELEASE

As schools seek to become Future Ready, it is necessary to identify and cultivate leadership beyond district and building leaders. School librarians lead, teach and support the Future Ready goals of their school and district in a variety of ways through their professional practice, programs and spaces. If properly prepared and supported, school librarians are well-positioned to be at the leading edge of the digital transformation of learning.
