College Park Academy

A Blended Learning Middle and High School

Bernadette Ortiz-Brewster, Ph.D.

Executive Director

The Vision

- University of Maryland (UMD)
  - UMD College of Education
- City of College Park – City University Partnership (CPCUP)
- Prince George's County Public School System
  - Pearson Online and Blended Learning

UNIVERSITY OF MARYLAND

COLLEGE PARK ACADEMY

Mission

College Park Academy (CPA) is a rigorous college preparatory school, with a robust extra-curricular enrichment program, and early college credit opportunities. This dynamic school features blended learning and enables students to earn up to 60 college credits (including 25 credits at the University of Maryland) in Prince George's County by high school commencement.

Music Celebration

What was the most recent special event you attended—a birthday, graduation, tournament? Was music played or sung? Music may have contributed to the mood and spirit of the celebration or event. People in past cultures used music in this way, too. In this lesson, you will learn about music from the time period before the Renaissance.

Objectives

- Identify important musical styles and characteristics of music from the Medieval style period
- Explain sociocultural practices that influenced the music in the Middle Ages

Key Words

- a capella
- Gregorian chant
- medieval
- Middle Ages
- monophonic
- plainchant
- polyphonic
