## The Missing Middle: Federal Funding Largely Ignores Middle and High Schools

The federal government rightly invests in early and postsecondary education and more is needed, but it has largely ignored middle and high schools, as demonstrated in this Alliance for Excellent Education graphic. Students need support throughout their educational careers, not just in the beginning and the end.

In related news, this morning the House Education and Labor Committee held a hearing, "Underpaid Teachers and Crumbling Schools: How Underfunding Public Education Shortchanges America's Students."

## Deeper Learning Digest: Training Students for Workplaces That Don't Exist

Stories of robots creating mass unemployment may be overhyped, but there's still a need to prepare students for an ever-changing workforce and jobs that don't yet exist.

## The Higher Education Act, Title IX, and the "New" House Education Committee

It's a new year with a new cast of characters in Congress. This episode of Federal Flash examines the new makeup of the House education committee, which has a new name, a new subcommittee, and new members. It also examines congressional efforts to rewrite the Higher Education Act and the Education Department's proposed Title IX rules that have drawn more than 100,000 comments.

# TODAY! A Perfect Match: Future Ready Instructional Coaches and Future Ready Librarians

TUESDAY FEB 12, 2019 5:00 - 6:00 P.M. (EDT) In this webinar, panelists will discuss the powerful impact that results from a partnership between instructional coaches and librarians when focus is placed not on tool or device, but instead on the learning community. They will share the examples of this partnership from the field highlighting stories, swapping tips and inspiring all of us to go back and do the same within our schools and districts.

## How School and District Leaders Can Create the Conditions for Innovation and Change

THURSDAY FEB 28, 2019 10:30– 11:30 P.M. (EDT) In this Digital Learning Day (DLDay) 2019 webinar, veteran principal and Future Ready Advisor, Jimmy Casas will discuss how school leaders can create cultures of innovation in their schools. Talladega County Schools Superintendent Dr. Suzanne Lacey will share the district's progress since it was last featured on DLDay in 2014, including how the district is creating STEM opportunities for students despite funding difficulties.
